Dear applicant:

This office has received an approved I-129F petition from the United States Citizenship and Immigration Services office (USCIS) to begin your visa process under section 101(a)(15)(K) of the INA, entitling you to the K nonimmigrant visa classification. Please read the following instructions:

FIRST: For all K Visa applicants: Complete form DS-160 for each applicant at <https://ceac.state.gov/genniv/> and print the confirmation letter. Go to <https://ais.usvisa-info.com/en-mx/iv> and follow the K Visa option to schedule an appointment at the Consulate General of the United States in Ciudad Juarez and at the Applicant Service Center (ASC) of your choice to be fingerprinted and photographed. All applicants, regardless of age, are required to appear in person at the Applicant Service Center (ASC) prior to the consular appointment date. It is important that you access the website as soon as possible to schedule both appointments; failure to do so may result in delays in your process.

SECOND: From the following list of documents, obtain the ones that apply to the circumstances of your case. DO NOT mail them to this office; you must present them personally on the day of your interview:
